

A4 Video Brochures with 10 inch Screen - Artwork Template

A few pointers to get you started

- 1. All artwork must be submitted in Vector AI or PDF format.
- 2. All copy, text, and photos must be converted to outlines.
- 3. Use the black stroke outline on the template as the trim line. For full bleed, ensure your artwork meets or exceeds the black template border.
- 4. The following Copyright and License statement must be included in the final design: [This is a licensed Video Brochure product - dhdfilms.com](#).
- 5. You may design and use up to 5 buttons. The buttons should be organized and positioned to your needs below the brochure screen.
- 6. Need help with the control buttons? No worries, take a look at the selection below. Feel free to use the graphics or design your own.
- 7. Ready to submit your artwork? Great! You can submit your artwork directly to your Account Executive via email.
- 8. If you need assistance, don't hesitate to contact us.
